

Hiscox FloodPlus
Residential and
Commercial Flood
Insurance

Comprehensive protection

Available exclusively for the US market, Hiscox FloodPlus builds on Hiscox's decades of experience in protecting homeowners and business owners from the devastating effects of flood.

With a wider scope of cover and a choice of higher limits, Hiscox FloodPlus offers more effective protection than alternative flood products currently available.

Hiscox FloodPlus

Why Hiscox?

More comprehensive protection for homes

- Alternative accommodation.
- Cover for outbuildings (not just a detached garage) that does not reduce overall indemnity.
- Worldwide cover for personal property – including in the basement.

More comprehensive protection for businesses

- Business income extension available to protect business cash flow.
- Broader cover for BPP, being more consistent with the standard commercial property form and avoiding any potential gaps in cover.

Broader limits than traditionally afforded

- Available for homeowners across the USA for dwelling values up to \$2.25 million, with a maximum TIV of \$2.5 million.
- Available for commercial risks across the USA up to \$2.5 million TIV to incorporate buildings, BPP and business income.
- Excess flood is available for £3.5 million TIV excess of NFIP limits (whether NFIP or private equivalent).

Flexibility to choose

- Homeowners and commercials insureds can choose to take similar limits to their NFIP cover, or buy higher limits in excess of NFIP limits.

Ease of administration

- No need to obtain elevation certificates.
- Quotes within seconds.
- Seven-day waiting period, which can be waived in certain circumstances.
- Commission paid on whole premium.

Flood cover through Lloyd's

- Hiscox can trace its Lloyd's roots back to 1901 and underwrites through Syndicate 33, one of the oldest and most respected syndicates in Lloyd's.
- All syndicates benefit from the security rating of Lloyd's high quality A financial rating (S&P), as well as its Central Fund.

Commercial cover comparison

	National Flood Insurance Program	Hiscox FloodPlus Commercial
Maximum limits	Building: \$500,000. BPP: \$500,000.	\$2.5 million TIV incorporating BPP, building and business interruption.
Flood definition	A complex definition that requires two or more acres of normally dry land or two or more properties (one of which is the insured's) to be flooded.	Flood definition complements the definition used in the water damage exclusion of the ISO causes of loss form, which includes reference to storm surge and tsunami.
Building definition	Covers buildings, fixtures and machinery as defined and listed in the form.	Covers buildings, fixtures (including outdoor fixtures), permanently installed machinery and equipment, and additions under construction.
Personal property	Property only covered while inside a fully-enclosed building. Personal property covered while stored at a temporary (45 days) location. Cover restricted to certain items of property when below the lowest elevated floor in certain zones.	Property covered while within the insured building or structure located at the premises described. Property temporarily removed also covered up to 45 days at any other location. Personal property may be covered while temporarily stored in a portable storage unit.
Basements	Excludes buildings and their contents if more than 49% of the ACV is below ground level.	No equivalent clause.
Business income	Excluded	Option to include by endorsement.
